Figure 1; showing Okema while ploughing simsim garden at one of demo plot.

Figure 2; showing Okema while planting simsim in row at one of demo plot.

Figure 3; showing Okema while demonstrating farmers how to plant soybean in row.

## **ABSTRACT**

This report is about I.T carried out at Nuri organization in Kitgum for a period of 10 weeks from 20<sup>th</sup>May 2019-26<sup>th</sup>July2019

A lot of activities were carried out on a day –to –day basis under the different departments at the field and the purpose of all these was to enable students gain practical skills from the field so as to cope up with the current status of agriculture (Agricultural Modernization).

The preliminary pages comprise of Declaration, Dedication, Acknowledgement, Table of Contents, List of Abbreviations, List of Tables and Figures and Abstract itself.

Other pages comprise of;

Chapter one: This defines the subject of the report, background of my Attachment organization and objectives of the study.

Chapter two: This presents the activities performed during the Attachment period, description of the specific department of Attachment, report on the familiarization phase, description of the work station, description of a typical working day and mentoring situation.

Chapter three: This answers the questions of;

What skills and qualifications I gained from the Attachment?

What kind of responsibilities I involved myself in during the Attachment period?

How do I think the Attachment will influence my future career plans?

How do I think the Attachment activities carried out are correlated with my classroom knowledge?

Chapter four: This includes key conclusions, observations and proposed plans/ recommendations to my Attachment organization for future actions.

Appendices: This contains map, organization structure, pictures, tables and schedule of activities.

References: This contains web pages and books to which I specifically refer my report.
