DEDICATION

I dedicate this work to my beloved mum Margaret Akot, my beloved brother Elvis Isaac keuber, my field supervisor Angeo Lucy towards their support during the time of writing this report not forgetting my friend Ochan Simon Jesse and my beloved friends Oyom peace and Awor Brenda Winnie may God bless you abundantly.

ACKNOWLEDGEMENT

First and foremost, I would like to thank the Almighty GOD who has protected me throughout the training period. Then, I extend my gratitude to the district production and marketing officer Ogwang Genius for the endless support in all forms and academically, my field supervisor Ms. Angeo Lucy for having accepted me to do my industrial training without any condition attached.

I also wish to extend my sincere gratitude and appreciation to;

- My Academic supervisor madam Akol Susan for the close monitoring of this activity and his encouraging words, and to the various people that have supported me financially, academically, morally, and spiritually during my stay at Abim sub county
- My course mates especially Joel, Jordan, Thomas, Ronny, Emma, and Dorothy for having shared a lot of experiences from our various fields of the training with whom we have always cooperated during our entire period of the training.

May God bless and reward you all abundantly for the kindness and sympathy towards me during the training.

ABSTRACT

This report contains and describes the activities implemented, skills and qualifications gained, challenges faced during the industrial training, conclusion of the report and recommendations derived from the challenges faced at Abim sub county. The objective of this industrial training is to make students benefit from the skills and knowledge gained from the fields, apply the knowledge and skills got from the classroom in the field and build confidence in the student. During my industrial training I was attached to production department and we managed to do the following activities under the supervision of animal husbandry officer. Orientation, meat inspection, holding stake holder meeting with world vision Uganda, training community on good agronomic practices and enterprise selection, inspection of VDMC apiary farms in the sub county, vaccination of poultry against Newcastle disease and infectious bronchitis, training community on water and soil conservation, establishing demonstration gardens, and training community piggery management some of experience gained are understanding the basics in Agriculture for Production, Productivity and Mitigation for Sustainable Agriculture, Management skills, Reporting skills and Accountability, communication skills and confidence in training farmers on animal and crop management, know good quality meat that is fit for human consumption, the right age of animals for slaughter, common pest of bees and challenges faced are; poor mobilizations, inadequate funding, transport, high level of illiteracy, poor time management by responsible officers.

5/10

CHAPTER ONE: INTRODUCTION

1.1 INTRODUCTION

This report covers the period ten (10) weeks field work practicum and it is basically in line with principles, roles of agriculture. It highlights the various methods, techniques, skills, knowledge and perspective used in the management and execution of various kinds of activities in different situation and time frame. It also shows the experience got during community work and how I applied theoretical knowledge of agriculture into practical which is done through work.

In addition, the report also includes the roles of the sub county, activities, missions, vision and goals of the sub county, how the sub county manages problems in agricultural practices and development approaches applied in the work of the sub county like basic needs approaches, sustainability among others, recommendation and challenges faced during the field work right from the beginning of 28th February to 2nd may 2022.

However, the report shows how intern was able to get a lot of knowledge and skills in different activities such as mobilization, dissemination from the field during the community department activities in various parishes in the sub county.

1.2 HISTORICAL BACKGROUND OF THE SUB COUNTY

Abim Sub County is one of the twelve sub counties in Abim district local government started in the year 1970 in Agwata parish and it shifted to Kanu parish in the year 2012, Abim sub county has worked for fifty three (53) years being one of recognize sub county in the district and country at large. Abim sub county one of the most active sub county in the whole district.

1.3 GEOGRAPICAL LOCATION OF THE SUB COUNTY

Abim Sub County is located in Kanu parish being one of the parishes of the sub county. It is bordered by Alerek Sub County in the north, Abim town council in the east, Awach Sub County in the south and Agago district in the west. And Kanu parish is along Abim Pader road.
