## **DEDICATION**

I dedicate this work to Mpungu Family and my beloved mother Joweria Zawedde who have provided me with the entire necessary requirement that enabled me to have a successful internship.

I dedicate this report to my lecturers, students and all the friends.

①

## **ACKNOWLEDGEMENT**

With great pleasure I would like to thank the following people who selflessly contributed in any way to this piece of work.

My dear parents, for the financial support provided to me because without them this piece of work would have been impossibility on my side.

God bless you!

My field supervisor, academic supervisor for sparing their time to come and supervise me during my industrial training.

In the same spirit, I thank all departments of Butambala Local Government staff members who in their different capacities provided and guidance through all that I needed to know.

May the Almighty God reward them abundantly.

Above all, the God who gave me strength and knowledge to write this report.

①

## **ABSTRACT**

Farm and community practice in a course module set all the end of first year under Bachelor of animal production and management. In this course, students are attached to different farms or institutions of their choice where they acquire skills and are exposed to different farm practice in a practical point of view.

I was attached to Butambala District under production department and my internship started **on 22<sup>nd</sup> February 2022 to 06<sup>th</sup> May, 2022.**

The production department has six sub counties make up Butambala district and each sub county has a veterinary or assistant veterinary officer.

The following activities and enterprises carried out in the different sub counties.

Poultry enterprise, piggery, dairy, good shoats enterprise.

During my stay in Butambala District under production department, I participated in many various activities including the following;- Ear tagging, castration, cold chain, controlling mange in pigs, spraying animals against ticks, feed mixing, silage making, feeding of animals, anti mortem and post mortem of animals, vaccination of birds/ poultry, slashing and general cleaning of abattoir, farm visits and follow ups, trainings , field schools, construction and making animal sheds and feed troughs respectively.

Attending council meetings, animal public health meetings, report writing and record keeping, artificial insemination.
