DECLARATION

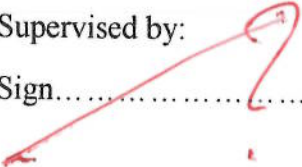

I ONGIERA PATRICK do declare that this report of internship which I submit to the department of Agribusiness and extension for examination in consideration of the award of a diploma in crop production and management is my original work and out of personal efforts.

No portion of this work has been submitted in support of an application for a diploma or other qualifications from any other university or institution of higher learning.

I took a reasonable care to ensure that the work is original and to do best of my knowledge, does not breach copyright law, and has not been from any source so,

I present it without any doubts for examination considerations.

DEDICATION

I dedicate this great piece of work to my beloved parents Mr. OKETHA GILBERT & Mrs. AKUMU FLORENCE, my brothers and sisters, relatives and friends. May the Almighty God have mercy on them and reward them abundantly for the financial support in my studies. I also dedicate it to the management of ZODFA, more especially the field supervisors who devoted whole-heartedly to essentially offer me all the necessary guidance and assistance throughout the period of attachment and lastly to all academic departments at BUAC

I pray to God to bless them and live longer.

ACKNOWLEDGEMENT

First and foremost I wish to express my gratitude to the Almighty God for gifting me with life and out of trouble for the whole of my internship period within a stipulated time.

I extend intensively personal sacrifice and greater self-discipline in order to work diligently over the entire industrial training period to collect data and refine it into a report.

Let me take this opportunity to appreciate the academic staff of Busitema University Arapai campus and I am deeply indebted to my mind academic supervisor Mr. Omodang Leonard. But this intensive effort would resolve to nothing so far most grateful to ZODFA for granting me the opportunity to undertake the training at the organization more especially to the intern coordinator Mr. Otingcwinyu Denis and the programme officer Mr. Opio claus who devoted themselves whole heartedly to essentially offer me a conducive environment to learn from and bridging the gap between internship students and field supervisors.

I must thank him without any loss of credit.

ABSTRACT

This industrial training report contains four chapters and clearly describes the details of activities we performed at ZODFA and these include: PROCESSING HONEY AND WAX, INTERGRATED WATERSHED MANAGEMENT, ENERGY SAVING STOVE, NURSERY BED PREPARATION, DATA COLLECTION, PRESEASONAL PLANNING, & BANANA PLANTATION, IRISH POTATOES, BEANS AND MAIZE as presented below;

Chapter one;

This chapter describes ZODFA, the historical background, vision, mission and purpose, objectives of the training.

Chapter two;

Here, I described the set of activities i got involved in during industrial training at ZODFA for example honey processing and wax extraction, micro watershed training, nursery bed preparation and management root crops (cassava, Irish potatoes), legumes (beans), and cereals (maize). Under each activity, various agronomic practices were done such as land demarcating, seeds soating, planting, weeding, soil and water conservation management, pest and disease control.

Chapter three;

This chapter summarizes the impacts of the attachment i.e. skills gained, responsibilities undertaken, influence of the attachment to my future career plans, correlation of the attachment activities with class room knowledge and the various challenges faced during the period of the attachment.

Chapter four;

This chapter contains the recommendations to ZODFA and BUAC and conclusions, appendices, work plan and references.

Not appropriate

Abstract not well-written !!!

CHAPTER ONE

1.1 INTRODUCTION

Zombo District Farmers Association [ZODFA] is member based organization [MBO] working with the 8600 farmers in Zombo District and a few farmers has small farmer group in part of Erussi sub county in Nebbi District it is affiliated to the Uganda National farmers federation [UNFFE] in Kampala. It was separately registered in December, 2010 with Zombo District local Government under the department of community based services [Reg. No ZBO/CBS/006/083] and later with Uganda registration board services in 2016[Reg.No.228846] to address farmers issues such as lack of leadership, unity, organized market and technical guidance in farming.

1.2 LOCATION OF THE ORGANIZATION.

Zombo District Farmers Association is located in Zombo Town council Zombo District.

1.3 VISSION

A united, empowered, food and income secure farming community of Zombo District.

1.4 MISSION

To lobby and advocate farmers rights and interests, promote sustainable and efficient production and linkage to remunerative markets.

1.5 MOTTO

Let's struggle today and gain tomorrow.
