DECLARATION

I **ALEMA ALFRED** with registration number **BU/UP/2020/2351**, declare that this report is my original copy and has never been submitted to any academic institution for the award of any academic qualification.

This table 1 shows internship report that has been declared originally and submitted under the approval of;

S/N	NAMES	POSITION	SIGNATURE
1	Dr NGUMA WILLY	District veterinary officer	
2	Mr. CHARLES ANDIKU	Academic supervisor	
3	Mr. ALEMA ALFRED	Student	

DEDICATION

I dedicate this particular report to my dear uncles and family members namely; **Dr. Candia Stephen, Mr. Andabati willy, Mr. Ojotia Sunday and Mr. Arivua Joel** who tirelessly supported me in all my academic struggles. May Almighty God reward them as they contribute to my support my studies

In a special way I dedicate this report to **Dr. Nguma willy (DVO ARUA), Mr. Oboko Dominic, Dr. Caku Benjamin, Mr. Anguzu Owen** and the entire administration of the department of production and marketing (veterinary department) for allowing me to undertake the training in Arua district local government. May Almighty God reward them and finally I dedicated this report to the academic supervisor Mr. Charles Andiku and all my friends and fellow intern students for the encouraging guidance on our academics and cooperation throughout the internship

ACKNOWLEDGEMENT

I would like to thank Almighty God for life and protection he has given me during my internship and letting me to complete my training with Arua District Local Government were I was able to learn and practice my theory into practical work.

I wish to extend my appreciation to field supervisor **Dr. Nguma Willy D.V.O** Arua and **Dr. Caku Benjamin** for their support offered to me to complete industrial training successfully God bless them all.

My great thanks goes to my lovely uncle **Dr. Candia Stephen** for having been there for me all the time, I pray Lord Almighty reward you continuously.

I also glorify my Busitema University Arapai Campus for support through supervision, computer training and seminars that enabled me to produce this IT report successfully.

ABSTRACT

Busitema university Arapai campus, faculty of agriculture and animal sciences designed field attachment or recess term with the aim of building capacity of students pursuing CGA, DCP, DAP, APM and AGB in practical skills related to their areas of specialization in various fields of agriculture in comparison with knowledge acquired from classroom as well as partial requirement for the award of diploma in animal production and management (DAP) for my course

This industrial training report covers description and compilation of activities that were carried out during the industrial training report from 28th.february.2022 to 6th.may.2022

I carried out my industrial training at Arua district local government under the department of production and marketing (veterinary department)

This report covers introduction where by history, background, vision and mission, location, land area, climate and administration set up.

Description of attachment where by orientations, meat inspection, clinical treatments were covered.

It also covers impact of the activities where by knowledge gained, skills gained, how the attachment influenced my future career plans and correlation of the attachment to my classroom knowledge were covered

This report also covers conclusion and recommendations

Finally it covers appendices and references where by activity work plan, photographic illustration of activities were covered

CHARPTEr ONE

1.0 INTRODUCTION

Industrial training is one of the requirements for the award of diploma in animal production and management and other programs like CGA, DCP, APM, AGB in faculty of agriculture and animal sciences, Busitema university. The training was carried out at Arua district local government under the department of production and marketing (veterinary department) for the period of 10 weeks from 28th.feb.2022 to 6th.may.2022

The training was under the supervision of district veterinary officer Arua

1.1 HISTORY OF ARUA DISTRICT.

Arua is one of the 112 districts of the republic of Uganda (according to 2016 electoral commission census) and one of the 8 district of the West Nile sub regions, Arua District was curved out of them West Nile and Madi District which was founded in 1912 during the colonial period .

In 1953 Madi District comprising of the current Moyo and Ajumani districts was granted a district status leaving west Nile as a district.

In 1973, West Nile was given a provincial status but reverted back to a district in 1979 with Nebbi been curved in to a district of its own.

Arua district got its name from Arua town. In 1979 when the Ugandan president at the time of Godfrey Binaisa declared that all districts/provinces acquire their name from their regional capital so, that is how Arua district inherited the name from Arua town.

In 2001 Yumbe district was curved out of Aringa county of Arua district. Koboko district was similarly curved out of Koboko county of Arua district.

~~In 2006 a district comprising of the counties, of Maracha and Terego was curved out Arua~~ through its political organs were not operational due to failure to resolve on the location of the district headquarters. In 2010 Maracha district was curved out of Maracha County. Terego from Terego County. Madi okollo from Madi Okollo County. Arua district as of now comprises of the counties of Arua municipality, Ayivu, Vurra.

1.3 BACKGROUND

Arua district is a district in the northern region of Uganda. Like many other Ugandan districts, it shares its name with its administrative center of Arua. The name Arua is said to
