ACKNOWLEDGEMENT

Firstly i acknowledge God the Sovereign Lord for all His favour, love, strength, provision, protection, and grace upon my life , not just for the internship period but always. Thank you Lord, all the glory and the honour goes back to you for all that you have done for me. For i know that it has always been you at the centre of it all.

Secondly i would love to acknowledge all the staffs of BUAC Farm, most especially the Farm's Manager Dr. Okwany Patrick, The Ass Farm's Manager Mr.Olupot Julius, The Field's Supervisor Mr. Ewalu Moses, The Immediate Farm's Activities Supervisor Mr. Opesen Joseph for their tireless endeavours and support to teach and guide us the internees in carrying out the activities in the different sections of the farm where we were allocated to. I personally appreciate all the knowledge and practical skills i have gained from this internship. And i acknowledge them as very committed staffs.

Finally i acknowledge all the internees who have been here for the internship with us, especially the DAP group A members. This has been my group of attachment throughout the internship period, and i greatly appreciate all the members of this DAP A group for being so hardworking, patient and enduring through all the tough and soft times. And i acknowledge the members for their persistent hard work, cooperation and support to one another.

ABSTRACT

In Summary, during the 10 weeks of the Industrial Training Course Module 1303 in BUAC Farm from 28th/March/2022 to 3rd/May/2022, I was able to carry out the following activities summarised in this page.

Chapter 1: Introduces BUAC as a public University with a multi - compass model of seven compasses i.e Busitema, Namasagali, Pallisa, Nagongera, Kamuli, Mbale and Arapai.

However I carried out my Industrial Training from Arapai Farm with these objectives; To develop the students' hands on Skills and Knowledge, To teach the students Farm Management Skills and To enable the students develop interests and love for farming.

Chapter 2: Describes the different attachments carried out in the different sections of the farm.

Chapter 3: Talks about the impacts of the attachment, this consists of the skills gained during the exercise, challenges, influence to the future career and relationship of the activities with lecture room knowledge.

Chapter 4: Contains the recommendation and conclusion, and finally appendices

1.0 CHAPTER ONE

1.1 INTRODUCTION

Busitema University is a public university established by a statutory instrument NO. 22.2007, enacted on by the parliament of Uganda on 10th/May/2007. This University is a multi-campus model with seven campuses.

1.2 LOCATION

Busitema Compus – This is also known as the Main Compus, located at the former College of National Agricultural and Mechanisation Institute, along Jinja- Tororo Highway- about 25KM South West of Tororo Or 183KM East of Kampala. Kaliro Compus – located in Kaliro National Teachers' College in Kaliro Town. Mbale Compus- located at Mbale Regional Referral HospitaMbale Town. Nagongera Compus – located along Tororo-Busolwe access road, about 15KM West from Tororo. Pallisa Compus Compus-based in Kalaki, Pallisa Town Council. Namasagali Campus – Found at the formerly Namasagali University in Kamuli District.

Finally Arapai Compus – Based at the former Arapai National Agriculture College, along the Moroto Road. This is exactly where i successfully carried out my internship.

1.3 VISSION

To be a center of academic and professional excellence in Science, Technology and Innovation.

1.4 MISSION

To provide a high standard training engaged in quality research and outreach for socio economic transformation and sustainable development.

1.5 ORGANS OFTHE UNIVERSITY

This University has a University Council which is the supreme organ of the Public University and is responsible for the overall policy making and administration of the University. The Council ensures the due implementation of the objectives and functions of the University. The Council may appoint a Committee and Boards consisting of its members and other persons as it may seem necessary.
