## **CHAPTER ONE;**

### **1.0 INTRODUCTION**

The industrial training was carried out at livestock Experimental Station from 28<sup>th</sup> Feb 2022 to 06<sup>th</sup> May 2022 where by the number of activities were carried out at the farm and which includes the following; Orientation, making a work plan, cleaning parlor, spraying of animals pasture, management, parasitic control, fodder harvesting, feeding animals and calf management.

Livestock experimental station (LES) is a government owned farm under National Animal Genetic Resources and Data Bank in the Ministry of Agriculture, Animal Industry and Fisheries. This farm mainly operates in animal sector specializing on three main enterprises; poultry, piggery and dairy cattle.

### **1.1 BACKGROUND**

LES is situated in Wakiso district 7 miles from Kitooro trading centre along Entebbe International Airport Road, along the shores of Lake Victoria, Busiro County, Katabi sub-county, Bugonga Parish, Kigungu Village. In the past, it was covering an area of 132 acres of land before the expansion of the International airport which covers part of its land now. Some of the land has now been transferred for the purpose of airport expansion. Most of the cattle were also transferred to other farms in Ruhengere, Kabanyoro, Rushere and others which are also under NAGRC&DB.

The farm in Entebbe was established in 1950's by the British government. Initially it was called Veterinarian Training Complex to act as a veterinarian training station as well as a Quarantine station for animals. In 1990, it was handed over to MAAIF as NAGRC&DB - LES.

LES is a branch of NAGRC&DB, a government organization under the Ministry of Agriculture, Animal Industry and Fisheries with its headquarters in Entebbe. Its address is P.O. Box 183 Entebbe-Uganda. Telephone: 0414 320 831, Fax: 256-41349422, Email: cattbrd@gmail.com.
