ABSTRACT

This report was compiled from Pallisa with the effort from the staff of VET officers, my university supervisor and it consists of six chapters.

Chapter one consists of the introduction of the organization, background, location, vision, mission of the sub county.

Chapter two explains the organization structure, explains the organization chain, objectives, strategies and attainment of the objectives.

Chapter three explains the activities of the sub county services, challenges and possible interventions.

Chapter four talks about the case profile, proceeding of each case, key observations and interventions to be taken.

Chapter five explains the objectives of the internship, challenges encountered by the internee, possible solutions.

Chapter six consists of the skills acquired during the internship, recommendations and the conclusion of the internship.

CHAPTER ONE

1.1. BACKGROUND:

Pallisa Farmers Association (PAFA) was set up in 1992 under the National farmers Federation (UNFFE) it's a member founded owned and non – profit making organization.

PAFA was formed with the aim of delivering recommendable farming technologies to small scale levels for food security. Household income generation in the district. PAFA activity implementation target covers the entire sub counties in Pallisa and other neighboring districts.

1.2. LOCATION

Pallisa Farmers Association located on plot no. 7 Agule Road, it is half a kilometer from Pallisa town and its officers are opposite the mosque (masgid nor) in Pallisa town. 3

1.3. VISION OF THE ORGANIZATION:

an empower community in food and house hold income generation where farmers are producing adequate food for domestic use, are engaged in rearing of animals, processing of the products and value addition to improve their income, engaged in collective marketing diversifying their enterprise practicing improved technologies.

1.4. MISSION OF THE ORGANIZATION:

Pallisa farmers association unites, empowers small scale farmers, and micro entrepreneurs through promotion of improved agricultural production, market linkages of agro forestry, soil fertility management and enforcement of Pallisa district food security ordinance.
