ABSTRACT

I compiled this study report during industrial training that began on Monday 21st/05/2018 and ended on Friday 27th/07/2018. The training was for ten weeks and was carried out in Bwanswa sub county Kakumiro District in Uganda.

The student participated in several activities: soil testing, Seed germination testing, fertilizer application, supplying of seeds and seedlings, Disease diagnosis and control in banana and coffee production ,monitoring farmers, writing and displaying training manuals

I gained skills in diagnosing and controlling different diseases in coffee and banana and interacting with farmers of different areas.

CHAPTER ONE

1.0 Introduction

Name of the agency:

The name of the agency where the internee was attached for internship was Bwanswa Sub County.

1.1 Background of the Agency

Bwanswa Sub County is one of the 10 sub counties in Kakumiro district and started carrying out its activities in July 1970. Bwanswa Sub County is composed of five parishes with fifty two villages.

The following are the sub counties that form Kakumiro District;

Bwanswa ,Kyabasaija, Nalweyo, Kisengwe, Kibijo, Kitaiyuka, Birembo, Kakiindo, Nkoko and Kijaji sub county and three town council that is Kakumiro, kisita ,and nalweyo town council

This internship was carried out at Bwanswa Sub County in Kakumiro District which originally was part of Kibaale district. After undergoing several divisions the District is now composed of two counties, ten sub counties, and Three Town Council.

1.2 Location and Size

Bwanswa Sub County is bordered by Kakumiro town council in the north, Kakumiro district head quotas in the north and Nkoko Sub County in the south and kibaale district in the east.

The sub county covers a total area of 448 sq. km and is made up of 4 parishes and 52 villages.

1.3 Sub-County Vision:

A fully transformed, healthy and developed community.

1.4 Sub-County Mission:

To ensure effective, efficient, equitable and accessible social and economic service delivery in the community with focus on the PEAP, National Development Plan and significant local needs for sustainable development
