## DEDICATION

To the almighty God for his protection and care during all the tough times especially amidst COVID19, the manager KACHEP for his hospitality and carrier guidance on the daily activities and life after the IT training, all the staffs of KACHEP, to all my colleagues, my beloved mother Achia Mary, my beloved sister Martha for her generous support in my life and studies as well and to my children for their patience and prayers when I was at school , may God grant every one protection.

---

**ACKNOWLEDGEMENT:**

I would like to thank the team of Karamoja Christian Ethno-Veterinary Program (KACHEP) for their support and encouragement during my IT where they showed me how to diagnose and treat different diseases ,how to use herbal medicines especially albizia antihelmentica ,EBUTO and neem ,I finally give thanks to everyone who helped me .

**ABSTRACT:**

Karamoja Christian Ethno veterinary Program is a Non Governmental Organization operating in Nabilatuk district. It is composed of board of trustees, secretariats, field workers and communities. This organization undertakes lot of activities that include; Animal health, poultry projects, Agro forestry; Home based care and business development skills. The Organization intends to see that the indigenous knowledge of the Karamojong Agro Pastoralists of using local herbs is adversely used in order to promote improved health of the animals and re establishment of the natives into a sustainable Agro pastoral community. The information pertaining the attachment has been put into four different chapters .Chapter one consists of introduction, back ground, vision, mission among others are found , chapter two describes the activities done on daily or weekly basis , chapter three explains the impacts of the attachment activities, co-relation of activities with classroom knowledge, responsibilities I conducted during the training, influence of the attachment on my future career plan. Chapter four contains the conclusion and recommendation as far as the attachment period was concerned from the 28<sup>th</sup> Feb. to 22 April, 2022.

## **CHAPTER ONE:**

### **1.0 Introduction**

An internship report which was carried out on the 28<sup>th</sup>.feb to 22nd. April 2022 from the office of Karamoja Christian Ethno-veterinary Program (KACHEP) based in Nabilatuk district. The chapter includes the background, mission, vision, objectives, organizational structure and activities of the organization.

---

### **1.1 BACKGROUND OF KACHEP:**

Karamoja Christian Ethno Veterinary Program (**KACHEP**) is an **NGO** which was established in 1998 as Christian veterinary Mission (**CVM**) before it was changed to **KACHEP**. The transition of **CVM** to **KACHEP** was in the year 2003. **KACHEP** was officially registered as an **NGO** in 2014. The purpose of **KACHEP** is striving to see the people of Karamoja utilize the abundant local herbs and their indigenous knowledge to re-establish themselves into sustainable Agro-pastoral society.

### **1.2 MISION**

The program strives to see Agro-pastoral people of Karamoja utilize their abundant resources of local herbs and wealth of indigenous knowledge to re-establish themselves into sustainable Agro pastoral communities.

---

### **1.3 VISSION:**

Communities committed to Christ, respecting one another and God's creation while utilizing their indigenous knowledge to meet their basic needs.

---

### **1.4 KACHEP VALUES:**

- ✓ Partnership
- ✓ Integrity
- ✓ Commitment
- ✓ Advocacy
- ✓ Mutual respect and trust
