A handwritten signature in red ink, consisting of a stylized 'S' followed by a vertical line.

## **DEDICATION**

This work is dedicated to my parents Mr.Kauta Moses and Mrs. Nadongo Loy who have supported me not only academically but also in all aspects of life and are still supporting me up now when am at the university. I also dedicate it to my friend Taaya Winny as a sign of encouragement for academic enhancement. And my lecturers Mr.Opio, Mr. Ewalu Moses and Mr.Hamira yinus.

## **ACKNOWLEDGEMENT**

First and foremost, I would like to thank the Almighty GOD who has protected me through the training period. Then, I extend my gratitude to the management of Busitema University Arapai Campus for accepting me to do my industrial training on their farm.

Special thanks go to;

- The manager for farm practice, Mr. Okwany Patrick
- The assistant manager, Livestock experimental station, Mr. Olupot Julius
- And all the field assistants Mr. Ewatu M, Mr. Opiro, Mr. Opetim and the rest.

Your infinite assistance, guidance, generosity and tolerance during the training will not be forgotten.

I also wish to extend my sincere gratitude and appreciation to;

- All the staff of Busitema University Arapai Campus (BUAC) for providing comfortable and convenient accommodation during the training, and to the various people that have supported me financially, academically, morally, and spiritually during my stay at Livestock experimental station.
- My course mates especially; Kwemoi Alex, Awuma Gloria, Juliet, Opoloti Joshua, Opetim, and Kobusinje Joan with whom we cooperated during our stay at BUAC.

May God bless and reward you all abundantly for the kindness and sympathy towards me during the training.

## **CHAPTER ONE;**

### **1.0 INTRODUCTION**

Busitema University is a mult campus model public University located in the Eastern region of Uganda. The main campus is at Busitema and other campus at Nagongera, Namasagali, Arapai, Mbale, Pallisa and Kalliro. Esterblished by statutory instrument in 2007, that University focuses on relevant and critical study program engineering peering, science education, health sciences, natural resources and environmental sciences, Agriculture and animal sciences, Management science and vocational education. At the time of esterblishment, it was envisaged that the university would improve equitable access to university education in the country since the region did not have a public University. The university opened its doors to the first cohret of students on 3/10/2007.

Initially, Busitema University started with two operational campuses.

Busitema campus focusing on engineering and technology disciplined, Nagongera campus with a forcus on science and education. To date, the university has six operational campuses and one study center in Tororo town focusing on short and skill-based training courses. The university has also grown from two faculties and three academic programs to six various specializations

### **1.2 ADRESS**

Busitema University arapai campus is based in soroti district 5km from town along Moroto road, it is based on 678 acres of land.

It is based at the former Arapai National Agricultural College, Soroti along Moroto road.
