DETAILED TABLE OF CONTENTS

Introduction.....	4
Focus.....	4
Scope.....	4
Section 1: National policy for using ICT to support teaching and learning in primary and secondary schools in East Africa	6
Introduction.....	6
1.1 Background to the emergence of ICT policies in East Africa.....	7
1.2 Overview of East African ICT in education policies: Rationales	9
1.3 Overview of East African ICT in education policies: Content	10
Conclusion	16
Section 2: National government investment in ICT initiatives in primary and secondary schools in East Africa.....	18
Introduction.....	18
2.1 Uganda	18
2.2 Kenya	20
2.3 Tanzania.....	23
2.4 Rwanda	24
2.5 Burundi	26
Conclusion: An overall picture of government investment in ICT in East Africa	27
Section 3: Key past and current initiatives supporting the use of ICT in schools in Sub-Saharan African countries.....	28
Introduction.....	28
3.1 ICT initiatives.....	28
3.2 Public-private partnerships in SSA.....	33
3.3 Public-private partnerships in East Africa.....	41
3.4 Private sector / NGO initiatives in East Africa	43
3.5 Government-funded academic research programmes in SSA.....	44
Conclusions	46
Section 4: Physical and other related external factors affecting the use of ICT in primary and secondary schools in Sub-Saharan Africa	48
Introduction.....	48
4.1 Infrastructure.....	48
4.2 Affordability of technology	53
4.3 Community facilities	53
4.4 School policy on ICT use	54
4.5 Sociocultural and linguistic factors	54
4.6 Economic and political factors.....	55
Conclusion	56
Section 5: Curriculum and school-related factors influencing integration of ICT in primary and secondary classrooms: evidence from Uganda, Kenya and Tanzania	57
Introduction.....	57
5.1. National curriculum and assessment.....	57

5.2 Language of instruction and of ICTs in education in Tanzania	61
5.3 ICT literacy among students	62
5.4 School leaders as agents of change in ICT integration	63
5.5 Change facilitators and ICT champions/pioneers	64
Conclusion	65
Section 6: Teacher factors influencing classroom ICT use	67
Introduction	67
6.1 ICT in and for Education	68
6.2 Why teachers use ICT	68
6.3 The demands on teachers of using ICT	71
6.4 How ICT is used in the classroom	75
6.5 Initial teacher education (ITE) and continuing professional development (CPD) policies and practices	79
Conclusions	93
Section 7: Implications for developing educational uses of ICT in East Africa.....	96
Introduction	96
7.1 Policy, investment and partnership initiatives for integrating ICT into schooling: Rhetoric and reality	96
7.2 Barriers to developing ICT use in the East African context	98
7.3 Teacher education and development.....	99
Overall Conclusions	100
